Re: Crescent Resources / Gateway Commercial 2002  
Glatting Jackson Project No. 16497.0

Dear Michelle,

I just wanted to drop you a note to express what a pleasure it has been working with you on the Gateway Crossing project. I have been impressed by your professionalism and your handling of the design team on what has been occasionally a difficult project. It has been refreshing to work with such an organized project manager that focuses on finding solutions to problems. I am sorry our current work for you on this project has been wrapped up and I sincerely hope you will call on us again for your next project. I look forward to working with you again in the future.

Please do not hesitate to call on me if there is anything I can do to help you in the future.

Sincerely,

Charles P. Cobble, ASLA  
Project Manager
