

PUSHING THE BOUNDARIES OF IMAGINATION[®]

Regarding: Michelle Forte Young

August 24, 2007

To Whom It May Concern:

I had the privilege of working with Michelle Forte Young for most of this year as part of the construction of Northland, A Church Distributed in Longwood, Florida. Michelle was the Project Manager for Collage at the time and I was Project Manager of all the theatrical technical systems for the new church.

Michelle has many skill sets. She is an excellent communicator and multi-tasker. While possessing knowledge of the construction industry she is also a team player and can be very resourceful as challenges arise. In difficult times, Michelle is self-motivated and can get the team and various disciplines motivated and focused as well.

I would like to give my recommendation for Michelle Forte Young.

Sincerely,
